

LIGHT DUTY OIL & GREASE PUMPS

FAST BALL

Use the Fast Ball for on-board lower volume and short-run transfers of petroleum and synthetic based oils. These pumps are designed to provide a reliable fluid flow and ensure smooth pumping

Advantages:

- **Durable**
Rated for continuous duty in challenging applications
- **Less pump wear**
In-line design with fewer moving parts in the air motor assembly means less downtime and low repair cos.
- **Flexible**
Use with both petroleum- and synthetic-based oils.
- **Ready to use**
Convenient pump packages come with everything you need to get started immediately

Accessories:

- 247431 Fast-Ball Repair Kit
- 222308 Bung adapter
- 222118 Connection hose kit (4,5m)
- 222119 Connection hose kit (1.8m)
